

Sponsors

*We couldn't put these events together without our amazing Sponsor.
Thank you so much for your support!*

GPS Central has been our staunchest and longest supporter. They give us a few kick-ass prizes, their friendly support AND they get up at the crack of dawn on a Saturday to give us a place to caffeinate and socialize before the craziness of the event kicks off. Please take a moment to say hi, say thanks and maybe even consider doing a little shopping.

We have been amazingly fortunate to have a few individuals drop off a door prize as well. Some don't want the recognition, but you know who you are, and we want you to know that your support is amazing and we thank you!

Would you like to be a sponsor or join our super awesome organizing crew for the next event? Question, comment or suggestion?
